THE CHALLENGE

Nuts are mainly sourced from single countries only. For this reason bad harvests, less availabilities, high price volatility, and stable quality might be huge challenges in the future. How to handle the risks best possible? Resign on beloved nuts?

THE SOLUTION

Symrise has realized these challenges and developed impactful, authentic and standardized nut flavour solutions for every sweet application: **Totally Nuts!**

THE SENSATION

Be confident that the Symrise **Totally Nuts** portfolio will meet local consumer liking by being independent from environmental influences and offering price and quality stability.

With **Totally Nuts**, Symrise provides a broad flavour portfolio covering **Hazelnut, Pistachio and Peanut** flavourings for all sweet applications.
